Good morning Kevin,

Mark and his folks are verifying the information in the summary. Regarding Prairie Grove, we sent the General Objection letter on June 15, 2022, so the Special Objection would be due on September 13, 2022.

Mark/Maria,

Chris asked us to put together a short summary of the major Region 6 permit oversight activities. Can you take a look at the attachment and see if it is okay from your perspective?

Also, on the Prairie Grove permit, what is the date for filing a specific objection or has it passed?

Thanks!

Kevin
